

Racing Unleashed is combining the glamorous world of motorsport with the digital future of e-sports. In our high quality racing simulators "Made in Maranello", casual gamers as well as passionate sportswomen and sportsmen compete for the best time on the world's most famous race tracks. In order to get off to a real start with Racing Unleashed we are looking for a dynamic and committed person, either immediately or by appointment:

Software Developer 100% (m/f/d)

In a small, committed, international team you are jointly responsible for the planning, development and maintenance of the simulation, game and other software. In addition, you will be responsible for the smooth operation of the simulators and their software as well as the support in this respect.

THE MAIN TASKS INCLUDE

- Develop and maintain software for racing simulators, including web-services that support the game platform and Windows clients
- Test and deploy you code
- Review code of other developers
- Shape the technology stack, use new technologies and develop applications supporting the game experiences
- Evaluate racing experience enhancements with various stakeholders
- Perform simulator software installation and setup in lounges

WE REQUIRE

- Successfully completed studies in computer science, business informatics or similar field of study.
- 3+ years' experience in Software development
- Experience of programming in C#, Python, Node.js
- Experience in relational databases (PostgreSQL, MS SQL)
- Good knowledge of English, German and Italian is an advantage
- High self-motivation, drive and independence

FAVORABLY

- Experiences in online game servers and gameplay
- Experiences in Docker, Java and web-service development

You can expect an exciting, varied and responsible job in a rapidly developing environment, flexible working hours as well as the possibility of home office by arrangement. You will become part of an international team, working together and unleashed towards a new best time. Racing Unleashed.

If you have any questions about the job, the company or if you would like to submit your application documents (incl. photo and letter of motivation), Corinne Simonet will be happy to answer them by e-mail jobs@racing-unleashed.com or by phone +41 58 400 71 27.
